13.4 SHORTLISTING OF CANDIDATES FOR 2nd STAGE CBT, DV AND EMPANELMENT:

Short listing of Candidates for the DV shall be based on the normalized marks obtained by them in 2nd Stage CBT. The normalization scheme to be adopted for short listing the candidates from 1st Stage CBT to 2nd Stage CBT and for DV on the basis of performance in 2nd Stage CBT is detailed below:

13.4.1 NORMALISATION OF MARKS:

- Whenever CBT is conducted in multiple sessions for the same syllabus, the raw marks obtained by the candidates in different sessions will be converted to normalized marks.
- The raw marks for a **single session CBT** and normalized marks for **multi-session CBTs** will be used for computing **Merit Index**, which is a common benchmark for generating merit for candidates from different Exam Groups.

13.4.2 CALCULATION OF MERIT INDEX FOR ALL PAPERS:

- In order to generate a common merit list of comprising of candidates who are from different Exam Groups, but are eligible for a common post, a **Merit Index** will be computed.
- For all papers for which there is only one CBT session, the **actual marks** obtained by the candidates will be used for calculating the Merit Index, while for papers in multiple sessions, **normalized marks** will be calculated corresponding to the raw marks obtained by a candidate. Accordingly, the Merit Index will be prepared based on these normalized marks.

The Merit Index will be computed using the formula given below:

$$\text{Merit Index} = S_q + (S_t - S_q) \frac{M - M_q}{\overline{M}_t - M_q}$$

(Merit Index is the relative score of a candidate within the discipline.)

M: Marks obtained by the candidate (actual/raw marks for single session exam and normalized marks for multi session exam).

M_q: The qualifying marks for general category candidate in the paper (40).

$\overline{M}_t$: The mean marks of top 0.1% or top 10 whichever is larger of the candidates who appeared in the paper (in case of multi session exam including all sessions)

S_q: 350 is the score assigned to M_q.

S_t: 900 is the score assigned to $\overline{M}_t$.

The qualifying marks (M_q) for general category candidate is 40.

The Merit Index will be calculated for UR, EWS, OBC(NCL), SC and ST candidates whose actual marks for single session exam and normalized marks for multi-session exam are equal or above the community qualifying marks prescribed in Para 13.2. Based on the Merit Index generated, a combined merit list of the candidates of different disciplines/Exam Groups will be prepared in the descending order of merit and the allotment of the preference will be done on the basis of this merit list.

13.4.3 DOCUMENT VERIFICATION (DV):

- Candidates will be shortlisted for Document Verification based on their marks and merit in the 2nd stage CBT and options. The number of shortlisted candidates will be **equal to the number of vacancies**.
- In case two or more candidates secure equal marks, their merit position shall be determined by age criteria i.e., the older candidate shall be given higher merit than the younger candidate and in case age being same, then alphabetical order (A to Z) of the name (Given name, not surname) shall be taken into account to break the tie.
- During document verification, candidates will have to produce their original certificates. No additional time will be given and the candidature of the candidates not producing their original certificates on the date of verification is liable to be forfeited.
- Empanelment of candidates will be based on merit and subject to successful completion of document verification and passing prescribed medical examination.

- (e) Appointment of selected candidates is subject to their passing requisite Medical Fitness Test to be conducted by the Railway Administration/RRB, final verification of educational and community certificates and verification of antecedents/character of the candidates.
- (f) On completion of all stages of recruitment process, RRB will allot Railway zone/Production unit as per the option of eligible candidates, subject to merit, medical standard and vacancy position. Once candidates are empanelled, as per their merit and choice, they will forfeit the right to be considered for their preference in the next priority zone/unit. However, RRBs also reserve the right to allot Railway zone/unit, which is/are not opted by the candidate, if considered in administrative interest, subject to the candidates' meeting eligibility requirements.
- (g) Candidates may please note that RRBs only recommend names of empanelled candidates to the Railway Administrations concerned. The offer of appointment is issued only by the respective Railway Administrations.
- (h) In case of any shortfall in empanelment or other exigencies, RRBs reserve the right to utilise the candidates down in the merit list if required, as per merit and options of such candidates. This however, will not confer any vested right on such candidates to be considered for appointment.
